In forwarding herewith for information an Extract from the memo of Inspection dated 12th February 1897, by Mr B Ramaswamy Syengar, Extra Assistant Commissioner, on the sanitary improvements of the Kiremagalur Village, I have the honor to state, that I inspected the village in company with the Extra Assistant Commissioner on the 6th ultimo and found that the place required immediate improvements in sanitary matters.

2. Moreover the village is situated in such close proximity to the Town of Chikmagalur that it may be said to be the gate of Chikmagalur and the outbreak

of any epidemic disease will it is apprehended spread at once into the Town of Chikmagalur.

3. The District Fund Board concurring with my opinion have in the meeting of the 25th ~~Ultima~~, resolved to increase the pay of the sweeper from Rs: 4 to Rs: 6 and to entertain a tank watcher on a salary not exceeding Rs: 5/ per mensem. at once, for the village. An Extract of the Board's resolution is herewith forwarded for information.

4. I beg therefore that you will be so good as to obtain the sanction of Government to the above proposal at an early date the expenditure on this account during the current year being met out of Rs: 680/- available under "II. Conservancy (b) works" under "Sanitation"

5. Necessary provision will be made in due course and a supplemental budget submitted to Government for sanction on

receipt of the sanctioned budget for the ensuing
year now before the Government.

I have the honour to be
Sir

Your most obedient servant

President, District Fund

1st February 1897 Aizeriagalur

Observed storage of water in the pond
This is used by the inhabitants for all
purposes and as such is opened to be
much polluted by washing dirty utensils
and cloths although there is a tank just
behind it. Strict prohibition is needed
as the water of the pond is used for cook-
ing and drinking purposes. This can
only be ensured by keeping a strong
watch there. At present a sweeper is
sanctioned from District Funds for the
village at Rs. 4/- per month. This fund
is not entertained. The money lapses every
year. The said amount may, I think be well
utilized by employing a special watcher for
the tank.

the notes of inspection of the Chikmagalur

that the pay of Rs: 4 allowed for the sweeper
lapses every year, as no one is willing to take
it up at that rate, and requesting that
sanction be accorded to the increase of pay
from Rs: 4/ To Rs: 6/.

Resolved that, subject to the sanction
of Government, a sweeper on a salary of Rs: 6
and a tank watcher on a salary not exceed-
